2371. SHRIMATI ANANDIBEN JETHABHAI PATEL: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Government have studied the price control of LPG supplies to consumers in all the States;

(b) whehter it is a fact that the price of this ocmmodity varies from State to State;

(c) whether it is a fact that the price of LPG in Gujarat is more than the other States especially when the LPG is a product of Gujarat but still the price is on the higher side instead of being lower than other States; and

(d) if so, the reasons therefor and the action to be taken by Government to

mitigate the genuine grievance of the State in this regard and by when the price structure of LPG will be lowered in Gujarat?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (CAPTAION SATISH SHARMA): (a) and (b) The ex-storage point price of LPG at all the refineries is fixed at uniform level. The transportation element from refinery to bottling plants and to the final markets alongwith various local levies like State Sales-Tax, Octroi imposed by various States/Local Authorities affect the final selling price of LPG in different states.

(c) and (d) The price of LPG packed (domestic) in the State of Gujarat is more due to the higher Sales-Tax levied by the State Government.
